

Journey With God

Life of David & the Psalms

...He raised up David to be their king, concerning whom He also testified and said, 'I have found David the son of Jesse, a man after My heart, who will do all My Will.' Acts 13:22 (NASB)

The life of David had all the high dramas that would more than fit a Hollywood movie. From the time he was a shepherd boy till his old age, he experienced devastating tragedies and great triumphs. Whether in fear of death, pursued by enemies, wrongly accused, betrayal and treachery, moral failure, family problems, victories of war or crowning celebration, David's heart never wandered far and always seek to please God. In the deep valleys and on the high mountains of life, the psalms expressed his deep emotions of love and trust towards God. He was called by God as 'a man after My heart'.

In this retreat, we will learn about the life of David, and to mediate on his God-inspired psalms. We want to discover how we, too, can go through life's challenges and be found to be the man or the woman after God's heart and fulfill His will for our lives.
