
Course Synopsis

The PREP 1 lessons are designed with you in mind for we believe God is in the process of bringing wholeness into your life.

The vision of Fountain Gate Ministries is to see victims being transformed to victors through the healing power of Jesus and ultimately for lives to make a difference in the world.

We intend the lessons to be practical and applicable to our daily lives. Biblical principles of pastoral care and practical applications of the various approaches in restoring broken lives will be taught.

Our prayer is to ask God to give you a deeper revelation of His love through which you will experience a holistic healing. Our desire is for you to live in freedom and fulfill your destiny as God's beloved child.
